

DONATE

Inner City Ministries is funded by donations from Churches, individuals and one foundation. Its ongoing work amongst the urban poor of Hong Kong’s South Asian community is not supported by any Government subvention; subsequently Inner City Ministries remains utterly dependent upon the generous financial contributions of its donors. Inner City Ministries Ltd is a registered Charity in Hong Kong and all gifts over \$100 are eligible for tax deduction. For your reference, below is a list of ways your gift may be used to support our work. Gifts of any amount are greatly appreciated.
